PA23/06059 - Works at Golitha Falls to trees subject to a Tree Preservation Order, the works are to the following tagged trees as set out within the Golitha Falls National Nature Reserve TPO Consent Application Support Document July 2023.

The Chairman said that the professional Tree Officer has recommended that the application be approved. Councillor G Rogers said that, although the parish council has been consulted on the application and it is in the parish of St Neot, it is stated on Cornwall Council's planning portal that the application site lies within St Cleer. Councillor T Hooper said the removal of the limb of the tree allows light through which will rejuvenate the woodland so the proposal is environmentally positive. It was proposed by Councillor H Bunt and seconded by Councillor T Hooper that the application be supported. All councillors voted in favour of the proposal.
